Administrative Action

Consent Order

TO PRACTICE MEDICINE AND SURGERY:
IN THE STATE OF NEW JERSEY :

The records of the New Jersey State Board of Medical Examiners (hereinafter "the Board") reflect that Dr. Codel was reprimanded for faulty insertion of a pacemaker into patient R.A. in October 2004, for failure to recognize his missed insertion of the patient's pacemaker and for failure to check the post operative radiology report himself, rather than rely on staff to convey information, contrary to N.J.S.A. 45:1-21(d) in that he engaged in repeated acts of negligence, malpractice or incompetence.

CERTIFIED TRUE COPY

Subsequently to the above described discipline Dr. Codel entered into a Consent Order with the State Board of Medical Examiners filed on July 30, 2007. The terms of this Order permitted Dr. Codel to return to the practice of performing pacemaker insertions after completing a program of supervision. Dr. Codel has now determined that he does not wish to perform pacemaker implantations. This voluntary modification of his practice is signaled by his voluntary surrender of all hospital privileges to insert pacemakers and his cancellation of this element of his malpractice insurance.

Dr. Codel being desirous of voluntarily relinquishing this element of his practice and the Board finding the within disposition to be adequately protective of the public health, safety and welfare, for the reasons expressed herein and other good cause having been shown,

IT IS ON THIS 12th DAY OF Jan 2010.

ORDERED and AGREED that:

1. Radu Codel, M.D. is hereby granted leave to permanently refrain from performing pacemaker implantations and is therefore relieved from the requirements of completion of the program of

supervised insertions of pacemakers as set forth in the July 30, 2007 Order of the Board.
